“The workshop opened a door in our relationship that had been sealed shut for fifteen years. The Imago processes allowed us to safely explore issues that have been the silent partners in our relationship, enabling us to live our lives more fully and authentically.”

Vanessa & Brad Worthington, Central Coast, NSW

“We came full of resignation and despair, thinking nothing would help us after 20 years. We left empowered and with renewed hope. This workshop saved our marriage.”

Carol and Keith Syron, Auckland
